and collect a specimen for drug testing before reinstating authorization; and

- (B) Verify that the drug test results are negative within 5 business days of specimen collection or administratively withdraw authorization until negative drug test results are received.
- (f) Administrative withdrawal of authorization. If a licensee or other entity administratively withdraws an individual's authorization under paragraphs (d)(1)(ii) or (e)(2)(iii)(B) of this section, and until the drug test results are known, the licensee or other entity may not record the administrative action to withdraw authorization as an unfavorable termination. The individual may not be required to disclose the administrative action in response to requests for self-disclosure of potentially disqualifying FFD information, except if the individual's authorization was subsequently denied or terminated unfavorably by a licensee or entity. Immediately on receipt of negative test results, the licensee or other entity shall ensure that any matter that could link the individual to the temporary administrative action is eliminated from the donor's personnel record and other records.
- (g) Sanctions. If an individual has confirmed positive, adulterated, or substituted test results from any drug, validity, or alcohol tests that may be required in this section, the licensee or other entity shall, at a minimum and as appropriate—
- (1) Deny authorization to the individual, as required by §26.75(b), (d), (e)(2), or (g):
- (2) Terminate the individual's authorization, if it has been reinstated, under \$26.75(e)(1) or (f); or
- (3) Grant authorization to the individual under §26.69.

§ 26.67 Random drug and alcohol testing of individuals who have applied for authorization.

(a) When the licensee or other entity collects specimens from an individual for any pre-access testing that may be required under §§26.65 or 26.69, and thereafter, the licensee or other entity shall subject the individual to random testing under §26.31(d)(2), except if—

- (1) The licensee or other entity does not grant authorization to the individual; or
- (2) The licensee or other entity relies on drug and alcohol tests that were conducted before the individual applied for authorization to meet the applicable requirements for pre-access testing. If the licensee or other entity relies on drug and alcohol tests that were conducted before the individual applied for authorization, the licensee or other entity shall subject the individual to random testing when the individual arrives at a licensee's or other entity's facility for in-processing and thereafter.
- (b) If an individual is selected for one or more random tests after any applicable requirement for pre-access testing in §§ 26.65 or 26.69 has been met, the licensee or other entity may grant authorization before random testing is completed, if the individual has met all other applicable requirements for authorization.
- (c) If an individual has confirmed positive, adulterated, or substituted test results from any drug, validity, or alcohol test required in this section, the licensee or other entity shall, at a minimum and as appropriate—
- (1) Deny authorization to the individual, as required by §26.75(b), (d), (e)(2), or (g);
- (2) Terminate the individual's authorization, if it has been granted, as required by §26.75(e)(1) or (f); or
- (3) Grant authorization to the individual under §26.69.

§ 26.69 Authorization with potentially disqualifying fitness-for-duty information

- (a) Purpose. This section defines the management actions that licensees and other entities who are subject to this subpart shall take to grant or maintain, at the licensee's or other entity's discretion, the authorization of an individual who is in the following circumstances:
- (1) Potentially disqualifying FFD information within the past 5 years has been disclosed or discovered about the individual by any means, including, but not limited to, the individual's self-disclosure, the suitable inquiry,
